

School/Organization	Project	Description	Grant Amount Funded	PPS Partners
Camp Fire USA, Portland Metro Council	Xploregon Summer Programming	Provide academic priority PPS students at risk of not graduating with a twelve day itinerary to explore Oregon while developing skills such as CPR/First Aid training; students will complete at least 60 hours of volunteer service-learning activities focused on serving various communities, while receiving youth-adult mentoring.	\$25,000	Lane MS, Marshall HS
Capitol Hill Elementary School	Community Learning Center-Academic Supports Music Mentor & Parents as Partners	Provide funding for 8 ELL academic support instructors for 24 weeks.	\$4,800	Capitol Hill ES
Catholic Charities	Más Allá de High School	Support academic achievement, completion of high school requirements, and preparation of college applications for Latino students by holding family-oriented information workshops . Funds will be used to hire a project coordinator, obtain supplies and provide childcare and food during workshops.	\$24,223	Madison, Marshall, Roosevelt
Columbia Regional Program	Family and Community ASL Class	Retain teachers/staff and purchase essential supplies to support continued American Sign Language classes for deaf and hard-of-hearing children's parents and families.	\$25,000	Columbia Regional Program
Impact NW (formerly Portland Impact)	Marshall Family and Community Involvement Project	Hire two AmeriCorps Community Engagment Specialists. Services provided will include: establishing relationships with low-income, culturally isolated students, parents and families; increase family awareness of available social services and resources ; organize community-building events; plan and lead extended-day activities to engage students in learning; and develop partnerships with local businesses to engage community leaders in school leadership and activities.	\$25,000	Marshall Campus
King School PTA	King School Parent/Community Involvement	Create higher parent and community involvement in King Elementary through monthly PTA board meetings. Information from these meetings will be broadcast both on a purchased community reader board sign and flyers for neighborhood canvassing.	\$7,530	King
Latino Network	Juntos Aprendemos / Together We Learn	Increase parent involvement in children's education; specifically by addressing development of early literacy and kindergarten readiness skills through weekly classes for parents. Funds will go towards staffing, supplies, and transportation. Target grade level is K-2.	\$25,000	Rigler, Scott, Clarendon-Portsmouth
Portland Reading Foundation	Reading Intervention Program	Training parent tutors at Clarendon-Portsmouth, Lent, and Sitton to increase literacy skills with at-risk students in grades 1-3; in addition, two workshops for parents of K-2 students will be funded.	\$19,622	Sitton, Clarendon-Portsmouth, Lent
Portland YouthBuilders (PYB)	Transitions to Independence	Enroll students as AmeriCorps members to increase community and civic participation; specifically, students will participate in activities such as building construction through the PYB GreenBuild Initiative; apprentice/training programs, college enrollment and job search training. Grant will fund one Career Development Instructor, Construction Coordinator, and money to cover testing fees to obtain GEDs.	\$19,000	Portland Youth Builders
The Children's Book Bank	A Community Solution to the Book Gap	Develop literacy skills by organizing book drives, engaging civic organizations, congregations, business, and youth groups; development and execution of a pilot program for literature collection; prepare books for donation and provide support for Head Start family literacy efforts with bilingual books.	\$24,825	PPS Head Start, District-wide
